June 2019

## June Meeting

Our meeting this month will be the annual picnic in Hopewell Borough on Sunday, June 9. We'll start to gather at 5:00 p.m (not the usual 4:00), start cooking at 5:30, and have performances until dark.

The picnic is not terribly different from a regular meeting, except that we have a potluck, so you don't need to be shy about coming if you haven't done so before or recently. We do not meet in July or August, so this is your last chance until September!

We'll provide hot dogs and hamburgers: if that's not your style, you can bring whatever you'd like to have grilled instead. Please bring something to share, such as a side dish, salad, drinks, munchies, or the like. And of course bring your guitar.

We'll send out a reminder and directions around the middle of next week. We have three special requests for the Picnic:

1. If you're coming, please e-mail ([njguitarsociety@yahoo.com](mailto:njguitarsociety@yahoo.com)) as soon as you can to let us know. We realize that attendance often has to be a last minute decision, but the sooner we know how many people to expect, the better we can prepare.
2. Also, please tell us what you'll be bringing for the pot luck. Everything usually works out well anyway, but it can be helpful to know if we're likely to be short of anything.
3. And, please tell us what you'll be playing (title of piece and composer/arranger). We won't hold or limit you to what you plan on, but the Picnic is busier than most meetings, so it's helpful to have at least part of the program written down in advance. ↓

## UPCOMING CONCERTS
